

## **I. ACHIEVEMENTS**

1. Usage of CCTNS
  - i. Detection of Cases & Gangs/ Habitual Offenders
  - ii. Matching of Un-identified Dead Bodies and Missing Persons
  - iii. Tracing of Stolen Vehicles
  - iv. Criminal record check for Police verification/ Antecedent verification/ Passport verification etc. done using CCTNS database without delay.
  - v. SMS Alerts and Generation of Reports & Registers including Daily Situation Report/ MCR
  - vi. Recovery of lost data
2. Uniformity in data (IIF 1-7 and other forms) across police units in the country
3. Online GD Entry in PSs and direct filling of FIRs in CAS has made false implication of persons difficult and GD has become much stronger and acceptable evidence in the Courts as it is being written continuously.
4. View FIR functionality available on Police citizen portals as per Supreme Court guidelines
5. Details of arrested & wanted persons are available on Police citizen portal, as per Supreme Court guidelines.
6. Dashboard for senior officers displays various up to date information about his/her jurisdictions
7. SMS alerts generated to inform complainants about registration of FIRs, arrest of accused, charge sheet of cases etc.
8. Search & Query functionality on National and State level databases
9. Criminal record check of applicants of Global Entry Program (GEP) of USA done by NCRB

## 10. Good practices adopted by States/UTs

Development of Mobile Application for ease of access of various police related services to the citizens

- i. **Complaint Registration** (Telanagana, Jharkhand, HP, Pudducherry, J & K, Tamilnadu, MP, Maharashtra, J&K)
- ii. **Online lodging of FIRs for Motor Vehicle Theft and Property Theft** (Delhi, Chhattisgarh, UP)
- iii. **Himmat, E-Saathi, E-Beatbook, Traffic Police, Senior Citizen** – Delhi
- iv. **Track missing child/Person** (HP, Andhra Pradesh, Chhattisgarh, Delhi, Gujarat, MP)
- v. **Un-Identified Dead Body Matching** (Chhattisgarh, Andhra Pradesh, Maharashtra, MP)
- vi. **Passport Verification/Domestic Help Verification** (Gujarat, Jharkhand)
- vii. **Citizen Tip** (Maharashtra, MP)
- viii. **Shakti, online traffic E-Challan& Crime Control** – Jharkhand
- ix. **Citizen Help App and E-FIR** – Uttar Pradesh
- x. **SMS based Vehicle Monitoring System** – Nagaland

## 11. Various additional modules have been developed by States/UTs by customizing CAS as per their specific requirements e.g.

- a. Tamil Nadu has developed a module allowing complainant/Victims and Insurance Companies to request for downloading relevant documents, including FIR copy, PM copy, Motor Vehicle Report on minimal payments basis.
- b. Enterprise Search: Analytical search engine for Suspect by Name, Crime Number, Mobile Number etc. (AP/Telangana)
- c. Criminal Intelligence System (CIS): Search & Match Missing persons & UIDB, Criminals & MO etc. (AP/Telangana)
- d. Under Ground/Extremist Organisation Module (Manipur, Odisha)

- e. HRMS, FSL Module (Odisha, Haryana)
- f. Traffic Management System (HP, Tripura, Odisha)
- g. Integration with Court, Knowledge Repository/ Digital Library SMS Gateway (Karnataka)
- h. Passport Integration (Assam)
- i. Dynamic Queries and BI Tools (Maharashtra, MP)

12.NCRB has developed and shared various Citizen (Bouquet of 9 citizen services viz. complaint registration & status check, view FIR, emergency SOS help, locate PS, vahansamanvay etc.) and Police centric (Get Latitude & Longitude of Scene of Crime etc.) Mobile App templates to States/UTs and States have customized the same for ease of accessing various police related services.

13.National Digital Police Portal was launched on 21/08/2017, and it allows search for a criminal / suspect on a national data base apart from providing various services to citizens like filing of complaints online and seeking antecedent verification of tenants, domestic helps, drivers etc. (<https://digitalpolice.gov.in/>).

14.Some of the many success stories of CCTNS are enclosed as Annexure "A"

**Annexure "A"**  
***SUCCESS STORIES OF CCTNS***
