The States/UTs have adopted various schemes for welfare and rehabilitation of prisoners. For first time, NCRB has made an effort to compile and publish State/UT-wise information on best practices in the field of welfare and rehabilitation of prison inmates. This will facilitate sharing and emulation of good practices by Prison Authorities of States/UTs.

The State/UT-wise information collected on good practices is reproduced as:-

**Andhra Pradesh**

Various welfare schemes being executed in the State are:

1. RO Plants have been installed in all the Prisons of Andhra Pradesh to provide safe drinking water.
2. As part of providing wholesome and hygienic food to the prisoners, kitchens of all Central Prisons and the Prisoners’ Agricultural Colony are provided with semi-automaticchapatti making machines.
3. To maintain hygienic conditions in Prisons hospitals, washing machines are provided to wash part-worn clothing of prisoners, in all central prisons, special prison for women and prisoners’ agricultural colony.
4. With a view to reduce the unrest amongst prisoners and to maintain family ties with their family and relatives, telephone facility is provided to the prisoners of Andhra Pradesh. After introducing the telephone facility, smuggling of cell phones in to the prisons has drastically curtailed.
5. Every prisoner on admission is medically examined and classified according to the existing rule. Utmost care is being taken in providing treatment to the sick prisoners. All central and district jails have been provided with in –house hospitals with proper medical staff.
6. Dietary articles are being supplied as per jail manual. Varieties of breakfast are also being provided. Special diet is also supplied to the old age women prisoners.
7. Literacy programmes are also being conducted to make the illiterate prisoners read and write. Besides book distribution centres are also opened with the help of NGOs etc., to enrich prisoners knowledge by providing new papers, various books etc.
8. Prisoners are encouraged to pursue their education through Open School System and Open University up to Degree and PG Level.
9. Prisoners are being trained in vocational trades like masonry, plumbing, house-wiring and certificates are being issued to those who have completed the course.
10. TVs and games facilities like caroms, shuttle etc. have been provided for recreation of the prisoners.
11. With a view to ensure proper sanitation and hygiene in prisons, bathrooms are provided at the ratio of 1:10. fans, tube lights and adequate ventilation have been provided at living accommodation i.e. cell and dormitories. At central prisons sewerage treatment plants have been constructed.

Various rehabilitation schemes being executed in the State are:-

1. As part of rehabilitation, various skills are being imparted to the prisoners to help them in getting reintegrated into society after their release. In order to achieve these targets, the industrial units of steel furniture, durries, weaving, book binding, dyeing, black and scented phenyl, tailoring, printing press, DTP, bakery unit, pillows, detergent and toilet soaps, coir products, cement and fly-ash bricks making have been established in Prisons.
2. To engage the uneducated and agricultural background prisoners, more agriculture/horticultural activities are being taken up in prisoners agricultural colony and semi open prisons.
3. Petrol bunks are being maintained with the co-ordination of IOCL and semi open prisoners are working in the petrol Bunks
4. Various Memorandum of Understanding (MOUs) were executed with different unit proposers under Private Public Partnership(PPP) like cultivation of alfalfa, moringa and kalmegh herbs at PAC Ananthapur by M/s Himalaya Drug
Company; cashew nut shelling/peeling unit at Central Prison Vishakapatnam etc.

5. To impart computer training to the educated prisoners, computers have been provided in all central prisons and special prison for women.

The other best practices followed for prison administration and management are:-

2. The Secretaries of the District Legal Services Authority in each District are visiting the prisons and sending their reports. Immediate steps are being taken after receipt of the reports from the Secretaries of DLSA to resolve the issues.
3. The Retreat, ‘a programme for review and introspection and to identify new methodologies for better administration’ is being organized since 2001 in the Department.
4. Establishment of video linkage for production of prisoners before courts
5. ‘Prison Development Board’ for improvement in the living conditions of prisoners, to reform and to re-integrate them in the social milieu etc.
6. To enable a convict prisoner to maintain social relations with his family and the community and to save himself from the evil of continuous incarceration, a system of releasing convicted prisoners periodically for temporary periods is being implemented by way of granting parole and or furlough.
7. ‘Citizens’ Charter’ with the objective to provide prompt quality service to the citizens has been framed and put in public domain.
8. For speedy disposal of cases, the Magistrates are conducting Jail Adalats and providing scope to the prisoners for mediation plea bargaining. Jails Adalats are being regularly conducted in all major prisons.
9. Recently all the life convicts and prison staff are being enrolled in the “PRADHAN MANTRI SURAKSHA BIMA YOJANA” and the premium paid by the Prisons Department.

Goa

Various welfare and rehabilitation schemes being executed in the State are:

1. Regular spiritual program, Yoga practices, work shop, skill training are conducted through NGOs. Prisoners are allowed to participate /conduct the spiritual programs.
2. Separate enclosure for women prisoners has been maintained at Sub Jail, Sada, Vasco. Female doctor conducts OPD at Sada Jail once in a week.
3. Regular full time Doctor has been posted and in house 15 bedded hospital has been set up and dental unit has also been set up at New Modern Central Jail at Colvare. New prisoners are admitted to jails after thorough screening in prescribed proforma of National Human Rights Commission, New Delhi. Sputum is regularly checked by the Health Centre and if TB cases are detected DOTS course is given.
4. Adequate number of water filters have been installed for drinking water and sufficient numbers of toilets are also constructed for the prisoners.
5. Solid waste in managed well with the help of local municipalities.
6. Training is imparted in computer/Bakery/ Gardening/Tailoring/ Carpenter/Art & Craft. The prisoners are allowed to enroll for distance educations through IGNOU & NIOS.
7. A tie-up with Himalaya Drug Company for plantation of Medicinal Plants is under process to create employment for the prisoners.

The best practices for prison administration and management are:-

1. The Principal District & Sessions Judge conducts surprise inspection and hear the grievances of prisoners. Nominated High Court lawyers are conducting surprise inspection and hear the grievances of prisoners. Additional Sessions Judges visit on monthly basis to verify the status of newly admitted convicts. Beside the Additional Sessions Judges along with Deputy Collectors and nominated lawyers visit jails to check the hygiene and other facilities for prisoners. Board of visitors meetings are held quarterly under the Chairmanship of Principal District &
Sessions Judges. The members of the Board of Visitors are conducting inspections in jail and submit their reports.

2. Legal Aid Cell conducts quarterly camps for under-trial prisoners.

3. The Jail Manual prescribes the rights and duties of prisoners. For grievance redressal, separate boxes are kept for complaints which can be made to the Sessions Court and to I.G. Prisons. Electronic surveillance system has been installed at New Modern Central Jail at Colavle as well as at Sub Jail, Sada, Vasco. The PRISMS software has been installed and provides real time information about the details of all prisoners their history ticket, nominal roll etc.

4. The Prison Panchayat is also held regularly.

Gujarat

Various welfare schemes being executed in the State are:

1. Prison inmates are provided with facilities of colour TV, radio and library facilities.

2. The facilities of outdoor games like volley ball and indoor games like carom, chess etc. are being provided to them. Some religious festivals like Navratri, Diwali, Ramzan Idd, Bakri Idd, Natal, Janmashtmi, Raksha Bandhan, Ganesh Utsav, Ramnavmi etc. are celebrated in every prisons in which all prison inmates participate.

3. Meditation programmes, programmes on de-addiction, prayer and other discourses are conducted for inmates in various prisons on regular basis.

4. Mega medical camps were organized in the year 2014, in all the jails by taking the help of local renowned private hospitals, leading NGOs.

5. R.O. plants are installed at all the jails to make safe water available to the prisoners.

6. Imparting vocational training-cum-production centres for rehabilitation of prisoners.

7. Various training-cum-production schemes are being provided to prison inmates for improvement of vocational skills in the field industries components like weaving, bakery products like bread, biscuits, farsans, carpentry, furniture products, tailoring, manufacture of tents, textiles, printing/book binding, soft toys, chemical products namely soaps, phenyl, liquid soaps, stamp pad ink, sealing wax, detergent powder, utensil powder, dairy products, embroidery, ornamental wooden products. So that they can rehabilitate after release.

8. Round the year, trainings on computer application, tailoring, music, Gujarati & English coaching class are being provided to them.

Haryana

State of Haryana has undertaken numbers of initiatives in the field of welfare of prison inmates and improvement in prison infrastructures like inauguration of Central Jails – 2 in Hisar, growing vegetables in idle land of the jail wherever feasible, amendment in the Prisons Act 1894 & the Haryana Good Conduct Prisoners (Temporary Release) Act, 1988 etc. Besides, following good initiatives have been undertaken in Haryana for rehabilitation and welfare of prison inmates:-

1. Proposal for ‘Prison Calling System’ has been approved from Government and would be launched/installed in jails for welfare of prisoners. This system has already been launched in Central Jail Ambala. It would facilitate the prisoners to share their happiness and sorrow with their families. It would also help the relatives of prison inmates residing at a long distance to minimize their expenses and time.

2. All wages to the prison inmates which are earned by them for the work done by them are being disbursed in various jails through saving bank accounts opened in various nationalized banks.

3. The ‘Parole Software’ has been developed in order to monitor the parole system between all concerned authorities.
4. Modern ‘Mulakat Kaksh’ is being established in various jails in order to have better mulakat/get together system.

5. The department with the approval of Government has introduced/implemented Public Private Partnership for reformation and rehabilitation to the prisoners which helps to create job opportunity in the jail premises by private party to offer work to the prisoners job work basis not involving any expenditure from the government fund by jail department.

6. Risk allowance have been provided to the all NGOs executive staff amounting to Rs.5,000/- in order to enhance their moral.

7. Website of the Department is launched on 3rd October 2013 and up to date information is available for the citizens. Repetitive exertion on giving information under RTI matter is curtailed.

Himachal Pradesh

Various welfare and rehabilitation schemes being executed in the State are:

1. **6 Mobile Canteen Facilities** have been introduced in 3 jails of the State for providing mobile canteen facility by the inmates of these jails, so that public can be benefitted by the good quality service at cheaper rates and prisoner availing open air facility can earn their livelihood and support their families. These Mobile Canteens are running successfully with commendable profit.

2. Dairy farming has been started in District Jail Dharamshala, Model Central Jail Kanda(Shimla) and Model Central Jail Nahan.

3. Dry-cleaning & car washing service station has been started in District Jail Dharamshala.

4. Bakery Units have been established in District jail Dharamshala, Model Central Jail Kanda (Shimla) and Model Central Jail Nehan.

5. ‘Jail Varta’ a video conferencing facility has been provided among the general public and jail inmates through the website "hpprisons.nioc.in". The relatives and friends of the jail inmates can now interact with them by utilizing Video Conferencing facility. The ‘Jail Vaarta’ project of Himachal Pradesh Prisons Department has been awarded with “The Manthan-South Asia & Asia Pacific Award 2014” under e-Governance category.

6. ‘Open Air Jail Facility’, a total of 6 barracks with the capacity of 130 inmates in different jails (Kanda, Nahan, Dharmshala, Chamba, Mandi and Solan Jails) were declared as ‘Open Air Barracks’, thus providing work for prisoners in order to rehabilitate them after their release from prisons.

The best practices for prison administration and management are:-

1. Project ‘e-peshi’, this project has been introduced by the State Government between the Courts and the concerned jails for the purpose of Court hearing of under trial prisoners and for those whom extension of judicial remand is to be sought by producing them before the judicial magistrates, virtually through Video Conferencing. This project is being utilized successfully in all the jails of the State except, Open Air Jail Bilaspur when there is connectivity problem. It has reduced the huge cost and deployment of manpower in the transportation and security arrangements for physically producing these inmates in various Courts across the State.

2. 'E-Prisons Software' designed by NIC in which day to day data of prisoners being uploaded has been implemented in all jails of the State.

Madhya Pradesh

Various welfare schemes being executed in the State are:-

1. Regular medical check-up camps are organized to bring down the death rate of prisoners lodged in various jails. During 2014, a total of 1.26 lakhs prisoners were benefitted by medical check-up.

2. Coordinated with Health Department for streamlining treatment of TB/AIDS to ensure continuous medication/follow-up. A scheme has been sanctioned where 92 visiting doctors will cover various jails of State.
3. Ensuring better medical care and coverage to all the inmates, 45 compounders, 11 male nurses and 1 lab technicians have been appointed.

4. Regular meditation and yoga camps are being organized for the benefit of all prison inmates.

5. Modernization of kitchens including improvement of hygiene was also taken up by providing new gadgets/implements.

6. Helped in issue of Aadhar Cards for more than 34,000 convict/prisoners as a result of concerted efforts across all the jails in the State.

7. Following Supreme Court guidelines (under Sec.436 Cr.P.C.,) arrangements have been made for those prisoners who have completed more than half of their maximum sentence for regular monitoring by judiciary. At present there is no such pending cases.

8. Coordinated with District Legal Aid Committee for legal aid to prisoners to ensure organized monthly legal aid camp in every jail.

9. Water coolers installed in the selected jails so that prisoners may get clean & cold water.

10. The department got approval of Rs.1.24 crore for purchase of LED TVs for recreation purpose in jails.

The best practices being followed in the area of rehabilitation are:-

1. A total of 69 prison inmates have been provided with industrial trainings in 3 trades through ITIs at District Jails at Betul & Dhar. Proposal for two new ITIs in Central Jail Bhopal (Female ITIs) & Ujjain (Male ITIs) has been sanctioned by State Government.

2. Skill development programmes in 7 central jails of the State were continued with the target of training 1,000 inmates in various trades during the year.

3. As a part of rehabilitation/educational program of the prisoners in the State and increased participation of prisoners in various programs of IGNOU and National Open School. About 1,971 prisoners are presently registered with IGNOU and 2010 prisoners are registered with National Open School.

4. New Power loom units have been established.

The best practices for prison administration and management are:-

1. National Lok Adalat conducted on 06.12.2014 in all jails of State.

2. For achieving greater enhancement of security of prisons, CCTV cameras have been installed in 5 central jails and 3 district jails. Security measures have also enhanced through deployment of baggage scanners in 8 central jails and door frame metal detectors & hand held metal detectors in all jails.

3. Traditional visiting system, where prisoners used to meet their relatives at jail gate has been stopped for security reasons and new separate visitor rooms have been constructed in 55 jails. To make the visit of the family members to the prisoners more meaningful and satisfying, an ‘Advances Visitor System’ has been introduced in all central jails & some selected district jails of the State. This system is free from noise disturbance and visitors can see and talk to their relatives clearly through the toughened glass. This system has separate counters for men & women. There they can talk through intercom.

4. Coordinated with Police Headquarters to make available police guards promptly. Escort guards are now being provided from the jail strength or district police lines for major jails to escort the prisoners needing medical care in civil hospitals out of the prison premises.

5. Remarkable results of enhanced security were seen as only one prisoner escaped from jail custody during period under assessment against 11 last year.

6. Timely disposal of parole cases and appeals against parole orders was ensured through continuous monitoring.
7. About 1,172 Inter jail transfer of prisoners were affected on humanitarian grounds and with the aim of reducing over-crowding in the jails and facilitating regular & timely court hearing.
8. Maintained alertness by inspection and surprise visit of selected jails of State (At least 5 per month).
9. A comprehensive modernization plan for the jails in the state amounting to Rs.547.83 crores has been prepared and sent to Government of India for sanction under phase-II of Modernization of prisons scheme.
10. Video Conferencing for 23 more jails has been put underway.

Maharashtra

Various welfare schemes being executed in the State are:

1. Yoga and meditation courses for prisoners with the help of NGOs & charitable Trusts.
2. Moral lectures conducted by various organizations.
3. Primary education classes, computers aided adult education
4. Cultural activities and programmes like “Bandiwan kala rajni”
5. Facility of indoor and outdoor games.
7. Televisions installed for the prisoners in barracks to see the national programmes only.
8. Books (Religious, Social), Newspapers provided for prisoners
9. Vipasyana camp arranged for meditation.
10. Medical facilities are being provided to the inmates as and when required.
11. Free legal aid provided to the Inmates through District Legal Aid Service Authority
12. Medical camps have been organised for inmates.

The best practices being followed in the area of rehabilitation of prisoners in the state:

1. Imparting vocational training. The prison department has trained inmates in motor mechanic work and washing centres.
2. Grant of Rs.5,000/- per prisoner is sanctioned by Women and Child Welfare Department for rehabilitation of released convict prisoners.
3. Certificate for the work done by the inmate during his/her imprisonment has been given to them by the Superintendent of respective prison.
4. Vocational trainings and computer trainings are being provided on regular basis.

The best practices for prison administration and management:

1. V.C. Units are used for communication in Courts & Prisons.
2. C.C.TVs are installed as security measure.
3. Telemedicine technology is implemented for expert doctor advice.
4. Digitalization is done via “PRISMS” application.
5. For better prison administration equipments such as Jammer, Hand Held Metal Detector, Door Frame Metal Detector, Walky Talkies are used at various prisons.
6. For security of prison officers & staff S.L.Rs are used.
7. For continuous better administration training is provided at State’s Jail Officers Training College.

Manipur

Various welfare schemes being provided by the State are:

1. Vocational training programme for the female inmates has been carried out regularly in the field of dhoop, dish wash, doll making. 6 months training course in the field of tailoring and embroidery under well experienced Instructors have been provided to female inmates. Making of plastic bags and plastic morah (stools) has also been introduced at Manipur Central Jail, Sajiwa.
2. Wages are paid to the inmates on regular basis.

8. Mahatma Gandhi Community College have been established in all central prisons, special prison for women, and borstal school, pudukottai. Wherein, 9 different types of diploma courses are being imparted to the prisoners to impart job skills, so that after release from prison they can earn decent livelihood.

The best practices for prison administration and management are:-

1. The Video Conferencing facility, connecting prisons to the court complexes, was inaugurated. At present, the Video Conferencing System covers 17 locations spread over all central prisons and special prisons for women and 64 court complexes, covering 276 courts.

2. In order to make the system of free legal aid facility available to the prisoners more effective, a separate Legal Aid Cell has been started.

3. With a view to expedite the disposal of petty cases, in which the accused pleads guilty, to avoid various difficulties in the production of remand prisoners before various courts for remand extension and to enable the prisoners to have easy access to the presiding officers to get their case problems solved, the Prisoners’ Adalath was started in all central prisons of the State.

Tripura

Various welfare schemes being executed in the State are:

1. There are Board of Visitors comprising Ex-officio members and Non-Official Members in the State to examine treatment and welfare & management of Jails/Sansodhanagar. The appointment of Ex-officio members is permanent and appointment of Non-official members are for 2(two) years, which may be extended or cancelled.

2. Legal Aid is being provided to the prisoners at government cost headed by the State legal Services authority/District Legal Services Authorities.

3. Legal Clinics have been set up in all jails in the State involving convicts for counseling.

4. Prisoners are getting facilities for short term temporary release for 30 days from jails as per eligibility on the recommendation of District Magistrate under the provisions of “Tripura Prisoners (Release on Parole) Rules, 1998”.

5. Prisoners are getting good quality and nutritious diet with special diet on religious festival/national days. The sick prisoners are served “Special Diet Menu” under guidance of medial officer. Sick prisoners get proper care of “Medical Facilities” in Jails Hospital by the Medial Staff. Children of the female prisoners are being provided children diet as per approved scale of Health Department.
6. Female prisoners have allowed sanitary napkin & paticoat(Chaya) as a part of their ‘essential’ personal need.

7. Every prisoner complaining of illness or appearing to be ill, are being sent to the Prison Medical Officer for immediate examination. The sick prisoners are being admitted in Central Jail Hospital & in case of treatment which required outside prison, they are referred to State Hospital & on necessity they also referred outside State Hospital for treatment at government cost.

8. They are also imparted training on Yoga for better physical and mental health. Libraries are there in the jails and prisoners are provided with books from the libraries for studying.

9. Cultural and recreational activities are being organized in all jails for maintaining the mental & physical health of prisoners. The activities includes (i) Out-door games like kabaddi, volley ball, badminton etc. (ii) Indoor games like chess, ludo & carom etc. (iii) color television programmes like film historical, patriotic, biographical, scientific & educational travelogues & programs dealing with social themes (iv) reading facilities in jail library etc.

10. The Home(jail) Department is providing minimum need to maintain essential standard of living in consonance with human dignity so that prisoners retain all their right as human beings within the limitations of imprisonment. Besides, Importance has been attached to all aspects of prison sanitation & Hygiene under the supervision of Medical Officer & Executive staff of the prison. Facilities/amenities in regard to sanitation & hygiene are available in all prisons of Tripura. Full fairness and efficiency is maintained in handling the prisoners.

Various rehabilitation schemes being executed in the State are:

1. Vocational training programmes are conducted for the prisoners to make them self-dependent after their release from the jail as well as to promote good order. The inmates are engaged in weaving, book binding, bamboo cane unit, printing press, tailoring, computer training, electrical works, carpentry, poultry, duckery, piggery, mushroom cultivation etc.

2. Prisoners are getting facilities of study from Primary level to Graduate level and they are allowed to sit for the Madhyamik, CII (10+2), Degree Course & Master Degree exams from inside the jail as private student.

3. Apart from there is Grievance Box inside the Hails/Sansodhanagar in Tripura for inmates. The District Magistrate & Collector and Sub-Divisional Magistrate visit the Jails/Sansodhanagar at regular interval and proper action is taken accordingly.

**West Bengal**

Various welfare and rehabilitation schemes being executed in the State are:

1. A “SIM-Less Telephone Facility in the Correctional Homes in West Bengal” has been introduced in the Central Correctional Homes to facilitate communication of the inmates with their near and dear ones.

2. Spread of literacy amongst the inmates in the Correctional Homes.

3. Providing opportunities for education - both basic and higher for the inmates.

4. Promoting creative pursuits amongst the inmates through art and crafts.

5. Promoting cultural activities within the Correctional Homes and beyond.

6. Physical and psychological improvement through meditation and exercises etc.

7. Developing sports and games infrastructure including infrastructure for physical exercises.

8. Providing coaching facilities to identified residents for development of their skills in games and sports.

9. Organizing sports and games activities within the Correctional Homes in the systematic manner.

10. Providing interface with civil society through sports and games activities to promote better understanding between the inmates and the society at large.

**Andaman & Nicobar Island**

For achieving the goal of rehabilitation, reformation and re-socialization of prison inmates, lodged in various prisons, the Prison
Department of A & N Island has organised various festivals and flea markets. It has been found that with these initiatives, the social problem faced by the prisoners to re-integrate into the society has reduced to some extent.

Chandigarh

Various welfare and rehabilitation schemes being executed in the State are:-

1. Regular Yoga classes/spiritual classes are being conducted. About 80-100 inmates are taking part in the daily Yoga classes and spiritual sessions. The World Yoga Day was also celebrated in the jail whereby about 400 prisoners took part in the yoga programmes.
2. Adult education programmes for jail inmates started. The higher education facility is also extended for the inmates through IGNOU.
3. Imparting skill learning programmed for jail inmates by organizing music classes, drawing workshops through renowned instructors.
4. The female inmates of the jail are provided with training in beauty culture & stitching and bag making from the waste material by employing lady teacher on contract basis.
5. Organized Annual Sports Meet in August 2014 and in April, 2015. The inmates of the jails took part in the different games such as volley ball, badminton, table-tanis, kabaddi, carom boared, chess and tug of war.
6. Besides, Musical Evening (Sanjhi Sham) was organised in November, 2014. The inmates of the jails took part in the various activities such as singing folk dance, drama etc.
7. Started AIDS Awareness Camp for prisoners.
8. Prisoners Addressing System has been introduced. Earlier, the prisoners were called for mulakat by visiting each barrack. By introducing this system, now prisoners are called for mulakat through the PAS.
9. Parole cases of the prisoners have been stream lined which were pending since long. The efforts were made to reduce the time period for obtaining the police verification report from the concerned District Magistrate. Now, the parole cases of the prisoners are dealt on priority basis and the prisoners are enjoying the facility of parole.

The best practices for prison administration and management are:-

1. Web Based CCTV camera have been installed in the high security ward.
2. The baggage X-ray Machine has been purchased for scanning of any material going inside the jail.
3. LAN based prison management is being used to maintain the record of prisoners, their mulakat, treatment, Court productions, accounts and expenses etc.
4. The steps to introduce web based e-Prison System with the help of NIC have been taken. This software will help to provide online information to court and other jails, where the same software has been installed.

Delhi

In Delhi, two types of services are provided for rehabilitation of prisoners, These are “Rehabilitation” and “Financial Assistance”. The details are given below:

1 Rehabilitation Grant
