MESSAGE

I appreciate the National Crime Records Bureau for publishing the annual edition of 'Accidental Deaths and Suicides in India' for the year 2021 in a timely manner. This is the 55th edition in the series, carrying a comprehensive statistical analysis on variegated aspects of accidents and suicides in the country. This publication is the principal reference document of the Government, and used by various stakeholders. It offers country statistics for in-depth analysis of the factors related to accidents and suicides, and for formulation of policies for effective intervention.

2. I am grateful to all the States and Union Territories for their sincere efforts in prompt submission of the requisite data to NCRB, resulting in timely publication of the report. I also take this opportunity to appreciate the efforts of Director, NCRB and his team in collection, compilation, and timely publication of the report in an efficient manner.
