MESSAGE

I am happy to know that National Crime Records Bureau is publishing the 69th edition of the annual 'Crime in India' report for the year 2021. The report contains detailed analysis of statistics pertaining to various aspects of crime in the country, which have been presented in a very comprehensive manner for the stakeholders for policy formulation, crime analysis and designing mitigating strategies.

2. I take this opportunity to express my gratitude to all the States and Union Territories for their efforts in prompt submission of the data to NCRB, resulting in timely publication of a report that is of both national and international importance. I also congratulate Director, NCRB and his team for publication of the report in an efficient manner.
