

CHAPTER-II

ACTIVITIES OF STATE FINGERPRINT BUREAUX

ACTIVITIES OF STATE FINGER PRINT BUREAUX

Finger Print Bureaux operating in States/UTs are assisting Police in their investigation by visiting the scene of crime and matching the chance prints developed at the scene of crime (SoC) with the FP database. Some of the important cases solved through Fingerprint science in various states are highlighted below:

ANDAMAN & NICOBAR ISLANDS

1. **P.S. Aberdeen, District South Andaman, FIR No. 347/2019, Dated 18.06.2019 u/s 454/380/34 IPC**

On 18.06.2019, a team lead by Fingerprint Expert Sh. T.K. William, a Sub-Inspector from Fingerprint Cell (CID) visited the crime scene u/s 454/380/34 IPC of P.S. Aberdeen, Port Blair. After a thorough examination of the scene of crime, Sh. T. K. William developed chance prints on the glass object, using black and silver powder. Later it was found identical with the right index finger and right middle finger of the search slip of the suspect Vinod Varma S/o late Munnalal. Thus, the fingerprint expert helped in providing scientific and infallible evidence against the culprit.

2. **P.S. Pahargoan, District South Andaman, FIR No. 496/2019, Dated 26.11.2019 u/s 457/380 IPC**

On 26.11.2019, a team lead by Fingerprint Expert A.K. Mourya (PC/667) from fingerprint cell (CID) visited the crime scene u/s 457/380 IPC of P.S. Pahargoan, Port Blair. On thorough examination of the scene of crime, they developed chance prints on the maroon colored Tile using white powder. Later they were found identical with the right middle finger and right ring finger of search slip of the suspect Mahesh Singh S/o Maran Singh, r/o Brookshabad Thus, the fingerprint expert helped in providing scientific and infallible evidence against the culprit.

ANDHRA PRADESH

1. **P.S. Srikakulam-II Town, District Srikakulam, FIR No. 232/2019 Dated 13.10.2019 u/s 457,380 IPC**

This is a grave HB offence that occurred on 13-10-2019 and the offender escaped with the booty worth of Rs. 17,00,000/-. Fingerprint Expert B. Murali Mohan Rao visited the scene of offence on 13-10-2019 and developed 07 chance prints. After the elimination process with inmate FP slips, a comparison was done with the available database and one chance print was identified with the left middle finger impression of ex-convict: Ponnada Veera babu @ Ravi Shankar, S/o Late Venkateswarlu, aged 29/2019, R/o Yethimoga, Jagannathapuram, Kakinada, East Godavari District, Andhra Pradesh. Based on the report furnished by the FP Expert, the offender was apprehended on 03-11-2019 and the property worth of Rs. 7, 00,000/- was recovered. Importance of Finger Prints was witnessed in the identification of the burglar and in the disposal of a grave crime, related to property.

2. P.S. Pedapadu, District West Godavari, FIR No. 177/2019 Dated 22.08.2019 u/s 457, 380IPC

This is a grave HB offence, that occurred on 22-08-2019 and the offender escaped with the property worth Rs.15, 00,000/-. FP Expert M.Rajesh visited the scene of offence on 22-08-2019 and developed 08 chance prints. After elimination and examination, the query chance prints were identified with the left ring, left index and right index fingerprint impressions and left- hand palm print impression of criminal Jikkula Rajesh S/o Sathyam, age.20/2017, R/o Kaikondaigudem (V), Khammam Urban (M), Khammam District, Telangana State. Based on the information furnished by the FP Expert, the offender was arrested on 25-09-2019 and the entire property of Rs. 15, 00,000/- was recovered. The Fingerprint was the only clue to identify the criminal which led to solving the case. Thus, the Finger Prints helped the investigating officer in unraveling this crime by providing a vital clue of the culprit.

3. P.S. Prakash Nagar, Rajamahendravaram, District East Godavari, FIR No. 363/2019 Dated 24.11.2019 u/s 457, 380 IPC

This is a grave HB offence, that occurred on 24-11-2019 and the offender escaped with the property worth of Rs.13, 50,000/-. FP Expert K.M.Swaroop Kumar visited the scene of offence on 24-11-2019 and developed 06 chance prints. After elimination and examination, the query chance print was identified with the Left Middle Finger impression of Kuthadi Venkata Ramana, S/o. Thrimurthulu, age:25/2017, R/o Kavalagoyya, Rajahmundry, Rajamahendravaram. Based on the information furnished by the FP Expert, the offender was arrested on 04-12-2019 and the property worth Rs. 20, 00,000/- was recovered from the offender. The Fingerprint was the only clue to identify the criminal which led to the cracking of the case. Thus, the Finger Prints helped the investigating agency to solve this crime, by providing a vital clue of the culprit.

4. **P.S. Arundelpet, District Guntur Urban, FIR No. 610/2019, Dated 30.11.2019 u/s 394 IPC, altered to 302/380 IPC**

In this case, the offence occurred in Sri Sita Ramanjaneya Swamy Temple on 30-11-2019 and the offender escaped with the property worth of Rs.3, 000/-. FP Expert K. Ravindra Reddy visited the scene of offence on 01.12.2019 and developed 05 chance prints. After elimination and examination, the query chance prints were identified with the Left Ring and Left Middle Finger impression of Tanneru Ankamma Rao S/o Veeraiah age: 23/2015, r/o. Opp. Nagurvali Theatre, NimmalaThota, Narasaraopet, Guntur. Based on the information furnished by the expert, the I.O. arrested the offender on 12-05-2019 and Rs. 582/- were recovered from the said offender. This was only due to the Fingerprint clue, the criminal was identified and the case was solved. In this case, the injured lady was shifted to Govt. General Hospital, Guntur for treatment, and while undergoing treatment the injured lady died on 08.12.2019. Hence in the case, the section was later altered from 394 to 302, 380 IPC.

5. **P.S. Arilova, District Visakhapatnam City, FIR No. 28/2019, Dated 12.04.2018 u/s 457/380 IPC**

This is a grave HB offence, that occurred on 17-01-2019 and the offender escaped with the property worth of Rs.22, 95,000/-. FP Expert T. Ramachandra Rao visited the scene of offence on 17-01-2019 and developed 18 chance prints. After elimination and examination, the query chance print was identified with the left Middle Finger impression of ex-convict Dangeti Sathish S/o Prasad, age:27/2011, Occupation -Watchman, r/o: D.no.15-08-33 Near Kanakadurga Hospital Down, Venkateswara Nagar, Visakhapatnam City. Based on the information furnished by the FP Expert, the offender was arrested on 25-01-2019 and the property of Rs. 6, 60,000/- was recovered. In this case, the chance prints lifted from the scene of crime were the only clue to establish the identity of the accused, which was scientifically proved in the court of law beyond doubt. Thus,

this case stood as a classic example to denote the significance of fingerprint evidence in crime investigation and legal acceptance. FP Expert Sri T. Rama Chandra Rao attended the court of Chief Metropolitan Magistrate at Vishakhapatnam City on 18.06.2019 and deposed his evidence and scientifically proved the presence of accused at soc beyond doubt. The Honourable Court considered this scientific evidence as very crucial and sentenced the burglar with Rigorous Imprisonment (RI) for six months.

ASSAM

1. P.S. Azara, District Kamrup, FIR No. 5/19, Dated 07.03.2019, u/s Nil

On 07/03/2019, at 1.25 pm, one HC/GD/CISF S.I. Sh. Surendra Singh shot himself with INSAS Rifle at the airport cargo gate, LGBI Airport during duty time. Later, the doctor declared him dead. Fingerprint Expert Rishi Deb visited the Scene of crime i.e. LGBI airport cargo gate, Borjhar, Guwahati, and collected 2 chance prints on the exhibit i.e. “One 5.56 mm INSAS Rifle butt no. 24 & body no. 18491075”. The Rifle was used to commit suicide by HC/GD/CISF S.I. Surendra Singh. The chance print on the exhibit, marked as “C-1” was found Identical with the specimen LTI, marked as “S-1” collected from the dead body of Surendra Singh. Based on the F.P. Expert’s Opinion, the I/O of the case submitted Final Report to the Court and the case was closed.

CHHATTISGARH

1. P.S. Nandghatchokey-chandnu, District Bemetara, FIR No. 136/2019, Dated 20.04.2019, u/s 302 IPC

A minor girl Madhu D/o late Babulal Satnami, age 15 years R/o Chandnu Chouki PS Nandghat, district Bemetara lived in her uncle’s house. While she was alone, her uncle who is the accused Bhuneshwar Goyal, entered the house with the intention of rape but due to failure, he murdered her by a mattock. Chouki Incharge of Chandnu, PS Nandghat visited the scene of crime and seized the evidence such as wooden ‘belan’, electronic induction, mirror and mattock and sent it to the Finger Print Bureau for fingerprint examination. Fingerprint expert received the evidence and developed chance prints on the mirror, wooden ‘belan’, and wooden handle of mattock with the help of silver and black fingerprint powders and marked them as A, B, C & D and then photographed. The developed fingerprints were compared with the suspect’s specimen ten-digit impressions and the developed print, marked “C” was found Identical with left thumb impression of Bhuneshwar Goyal. On the basis of fingerprint evidence, the accused was convicted for life imprisonment and fine.

2. **P.S. Nandghat, District Bemetara, FIR No. 151/2019, Dated 07.05.2019, u/s 302 IPC**

Accused Sanju Nishad S/o Hari Nishad entered the house of Smt. Hirabai Dehariya r /o Gariyari, PS Nandghat, District Bemetara with the intention of theft but the victim opposed the act, so the accused assaulted on her head by a steel pitcher (Gundi). On 07.05.2019, the investigation officer visited the scene of crime and found a blood fingerprint on the steel pitcher and seized the evidence. Fingerprints were developed on Steel pitcher (Gundi), black color amplifier, steel tiffin box, a wrench, and an aluminum container and were marked as A, B, and then photographed. The developed fingerprints were compared with the suspect's specimen ten digit impression slips and the developed print marked "A" was found Identical with right index impression of Sanju Nishad (16) S/o Hari Nishad. On the basis of finger print evidence, the accused was sent to a juvenile correction home.

DELHI

1. **P.S. Kalyanpuri, District East Delhi., FIR No. 520/2018, Dated 13.10.2018, u/s 363/376 DA/34 IPC & 6, 17 POCSO Act**

During the investigation of the kidnapping-cum-Gang Rape case, specimen finger/palm impressions of four suspected persons were received for comparison with the chance prints, and this case was given to SI Narender Singh for comparison and expert's opinion thereon. After minute examination and comparison by the experts, they came to the final opinion that 02 chance prints were identical with left ring finger impression of the suspect Arun alias Ani and recovered 2.5 Sovn and 10,000/- rupees.

MADHYA PRADESH

1. **P.S. Kotwali Khargone, District Khargone, FIR No. 563/2019, Dated 20/11/2019, u/s 457/380 IPC**

Mr. Mahesh Gehlot, F.P. Expert Khargon, visited the scene of crime related to Crime No. 563/2019, U/S 457/380 IPC, Police Station: Kotwali, Dist: Khargone on 20.11.2019. He developed 02 chance prints on the Plastic Box with black powder & marked them "A" and "B". One chance print was found fit for comparison and the other was unfit. He searched the fit chance print with PIN No. 33429113 in AFIS and the print was traced with the record slip of Mukesh S/o Laxman Barela. (PIN No. 33408572 & 33411655) in AFIS Database. Finger Print Expert Shri Gehlot, then informed the Investigating officer about Mukesh S/o Laxman Barela and instructed him to collect the specimen fingerprint of Mukesh for comparison. After getting specimen fingerprints from the investigating officer, Finger Print Expert marked identical points and furnished opinion. In this way, the fingerprint expert helped the investigating officer to solve the case and send the criminal behind the bars. Jewellery & other ornaments of Gold & Silver valued at approx. Rs.10 lacs were recovered and 13 other cases of different Police Stations of district khargone were also solved.

2. **P.S. Kotwali, District Bhind, FIR No. 32/2016, Dated 14/05/2016 u/s 302/34/201IPC**

This is a multiple murder case that shocked the town. When Police reached the house in Virendra Nagar area under Kotwali police station and broke open the door, they found dead bodies of Reena (40) along with her 12-year-old daughter Chhavi and three other minor relatives of the family namely Mahima Vedprakash Shula (17 years), Ambika Brijmohan Shukla (14 years) and Golu Ramkumar Sharma (15 years), who were murdered at their home in Virendra Nagar on 13-14 May 2016. Hands of the dead were tied on the backside & throats of all of them were slit. The accused /murderer Ankur alias Nitesh Dixit was a home tutor for the children and had developed illicit relations with Reena. The children had caught them in compromising situations a few times. This led Reena and Ankur to plot their murder so they did not spill the beans. The three children were reportedly drugged and their throats slit by the duo on 13-14 May 2016. The house was messed up to give a sense of a robbery. Ankur Dixit had given Shukla some sleep-inducing tablets

to be administered to the children. Once the children were asleep, Dixit came over to the house. However, one of the children woke up and caught the couple in a compromising position. Fifteen-year-old Golu, son of Shukla's uncle-in-law, raised an alarm after finding Dixit and Shukla together. Unable to gag the teenager, Dixit allegedly slit Golu's throat with a knife, killing him on the spot. Manjesh Raja Parmar, Finger Print Expert, inspected the spot. Prima facia it was evident that efforts were made to disturb the spot of the incident. After inspecting the spot very minutely, no fingerprints were found on evidence in two rooms. The expert found a steel glass under the bed where the dead body of Reena was lying. The two chance prints found at the scene of crime were compared with the specimen fingerprints of Ankur Dixit out of which one was found identical with the Middle finger of the Right hand of Ankur Dixit. In this case, only two pieces of evidences were found: one was Chance fingerprint and the other was DNA. These were the two pieces of evidence that resulted in justice on **09.03.2019** i.e. Death sentence and fine of Rs.10000.

MAHARASHTRA

1. **P.S. Ratnagiri Rural , District Ratnagiri, FIR No. 142/2019, Dated 19.09.2019 u/s 380 IPC**

Ratnagiri Unit Finger Print Expert Shri M.A. Potphode along with the team visited the crime scene. The accused was habitual to do Housebreaking/Burglary by using duplicate keys but by putting all efforts FP expert developed two chance prints on the mirror of steel cupboard. Upon comparison, one of the chance prints was found identical with the right-hand middle finger impression of the accused Deepak Raghunath. The property lost was of Rs.6, 60,800/- out of which Rs.6, 40,000 was recovered.

2. **P.S. Sahu Nagar, District Mumbai, FIR No. 30/2019, Dated 30.01.2019 u/s 302,201,120B IPC**

Finger Print Expert got the call from Control room regarding a murder. It was a double murder case where a woman and her 4year old daughter were murdered. The motive was unknown. When Shri M. J. Mujawar, F.P. Expert visited the scene of crime, he cleverly inspected the SOC and found some faint bloodstains; by using his skills he developed 02 footprints using black powder on the tiles. The footprints were found identical with the footprints of suspect Amrin Faiyyaj Sayyad. During interrogation, it was noticed that the husband and his girlfriend attempted this crime very cruelly by cutting the throat and tried to burn the body. But the evidence proved the presence of girlfriend and the whole story came into light.

3. **P.S. LT Marg, District Mumbai, FIR No. 178/2019 Dated 07.06.2019 u/s 457,380 IPC**

The accused was a habitual offender whose MOB was to sleep outside the shops, nearby the shutter staircase. In the night he used to cut the locks and enter into the shops. F.P. Expert Shri KR Joshi visited the Jewellery Shop & carefully examined all the articles likely to be handled by the culprit. F.P. Expert developed 04 chance prints; two chance prints on the plastic box of Band-Aid using grey powder and two chance prints on wooden drawer using black powder. One chance print was found identical with the right hand finger impression of accused Mohd. Jafar Kalim Sheikh. This was a very important case of Mumbai Police. The Accused was known as "Chuha Mana". He is very lean and short, so it was easy for him to enter the shops. Another 34 cases of burglary were solved with the help of this case, and the property was recovered by the Mumbai

cops.

4. **P.S. Vani, District Nasik Rural, FIR No. 03/2019, Dated 05.01.2019, u/s 395, 120B, 109, 34 IPC.**

Accused was a van driver and used to pick passengers on road. He badly injured the passenger with the knife, tied his hands, and kidnapped the passenger. The cash amount and articles were forcefully taken away by the van driver. One chance print was developed on the rearview mirror using grey powder and one chance print was developed on dickey, by FP Expert Shri B. N. Kamble. The chance print developed on dickey was found identical with the left hand thumb impression of the suspect Samadhan Ramesh Wagh.

5. **P.S. Nandurbar City, District Nandurbar, FIR No. 10/2019, Dated 09.01.2019, u/s 454,457,380 IPC**

A call was received on 09.01.2019 regarding the robbery of the jewellery shop. Unknown persons broke the lock and entered into the jewellery shop. They had stolen gold and cash from the locker. FP Expert Shri Y.P.Rajput visited the scene of crime and developed 03 chance prints. One of the chance prints developed from the steel plate on the locker was found identical with the left-hand thumb impression of the suspect Santosh Dilip Tijvij. Property recovered – Rs. 2, 42,725/-.

MANIPUR

1. **P.S. Imphal, District Imphal West, FIR No. FIR No. 99(5) 2019, Dated 04/05/2019 u/s 380 IPC**

On 04.05.2019, a team of fingerprint experts from Finger Print Bureau, Manipur visited the crime scene of u/s380 IPC. On thorough examination of the scene of crime, fingerprint expert L. Chandra kumar Singh, Dy. SP developed a chance print on the glass pane of entrance door using red powder. Later it was found identical with Left Ring finger of Kshetrimayum Alex @ Pritam (32) of Tera Loukrakpam Leirak.

2. **P.S. Imphal, District Imphal West, G.D Entry No. 13, Dated 17-09-2019**

A team of finger print experts from Finger Print Bureau, Manipur visited a crime scene on 17.09.2019. On thorough examination of the scene of crime, fingerprint expert S. Milan Singh, Inspector developed a chance print on a steel almirah (dark red color) using black powder. Later it was found identical with the Right middle finger of Harminder Kaur (47) of Ivioirangkhom Sougajjatn Leirak, Imphal.

MEGHALAYA

1. **P.S. Rynjah, District East Khasi Hills, FIR No. 01/2017, Dated 01.01.2017, u/s 380,457 IPC**

On 06.01-2017, a burglary had taken place in the house of Smt. Sephalin A Sangula W/0 Shri Rajon Burman at MNREDA Quaner VIII, Mawpat Shillong. The thief broke into the house and

stolen away 1 (one) Samsung LCD 32 inches TV. Inspector D. Sunn, FP Expert, Sub-Inspector N.K Singh, FP Expert along with photographer from FPE/CID, Shillong, attended the Crime Scene. From the crime scene 3 (three Nos) chance prints were detected and developed from the Godrej Steel Almirah (Grey colour). On 15-05-2017, specimen and palm prints of the suspect were received at the Bureau. During the comparison, the chance print marked as “Q2” was found to be identical with the Right palm print of the suspect Amos Mawthoh.

2. **P.S. Laitumkhrah, District East Khasi Hills, FIR No. 119/2019, Dated 14.10.2019, u/s 380,457 IPC**

The brief of the case is that on 14-10-2019, received an FIR from Smt. Eldalyne Kharsati of Mawlai, Umsiong Umpajung NEHU Gate-2 that a burglary had taken place at her house on 14-10-2019 at 11 AM. The thief broke into the house, destroyed the almirah, and stolen away 1(one) pair of golden earrings which costs approximately Rs. 22000/-, 2 (two) gold rings which cost together around Rs. 50000/-, Money Rs 8000/- and one khadhim school bag (brand new light blue in colour). Sub Inspector R. Warbah, Fingerprint Proficient, and a photographer Ganesh Sunar from FPB/CID, Shillong attended to the case. From the crime scene, 11 nos. of chance prints were developed from the steel almirah (green colour) kept in the bedroom. On 22-10-2019, Specimen fingerprints and palm prints of the suspect were received at the Bureau. During the comparison, the chance print marked as “Q2” was found to be identical with the Left Palm Print of the suspect Samdorlang Nongrang.

3. **Detection of impersonators during a Recruitment Rally.**

On 31/05/2019, received a letter from the Superintendent of Police, West Garo Hills, Tura that on 4/07/2017 the personal interview of the candidates was conducted by the Central Recruitment Board at 2nd MLP Bn. Premises. During the process, Shri Rothindro Ch. Marak bearing Roll No. 21400586 appeared for the Biometric verification, and at the time of screening, it was detected that his brother Shri. Chingki Ch. Marak had already run on his behalf in the PET held at 2nd MLP Bn, Georagre. The original admit card was issued in the name of Shri Rothindro Ch. Marak. He did not appear for the physical efficiency test but instead sent his brother for the test. The thumb impressions of both the accused were taken and sent to the FPB/CID Shillong with a request to compare the same with the thumb impression on the admit card obtained while conducting PET and the thumb impression obtained during the personal interview. During the comparison, the thumb impression obtained during PET and the thumb impression obtained during the personal interview were not identical. And on further examination, it was found that the specimen left thumb impression of Shri. Chingki Ch. Marak is identical with the thumb impression obtained during PET but found to be not identical with the left thumb impression taken during the personal interview. The specimen fingerprint of Shri. Ruthindro Ch. Marak is not identical with the left thumb impression obtained during PET but it was found to be identical with the left thumb impression obtained during the personal interview.

MIZORAM

1. P.S. Champhai, District Champhai, FIR No. 122/2019 Dated 10.11.2019 u/s 457,380 IPC

On 10.11.2019, a crime case was reported at Champhai Police Station, that an unknown culprit had burgled into Canteen of District Court, Champhai, and ransacked the canteen. The I/O had collected one empty can of energy drink from the scene of crime, which was then packed and sent to FSL for further analysis. On 2.12.2019, the exhibit i.e., can of energy drink was received at FSL, Aizawl for analysis. The fingerprint expert then promptly examined the exhibit for any evidentiary clue which could link the scene of crime with the criminal. After careful examination, one comparable quality chance print was developed with black powder from the exhibit, despite the lapse of time i.e., 21 days from the date of collection of the exhibits from the scene of crime and the date of receiving the exhibit at FSL. The fingerprint expert still managed to develop a good quality chance print from the forwarded exhibit. The chance print developed and lifted by the finger print experts was successfully identified with the right index finger impression of the suspected Specimen Print of Lalpekhluia S/o Hramliana, Mizoram. Also, he was the same person whose fingerprint was earlier traced and linked with the chance print from the burglary of Prosecution Branch, District Court, Champhai that happened on the same night with this case. Thus, the finger print experts helped in providing scientific and infallible evidence against the culprit.

NAGALAND

1. P.S. Dimapur Diphupar P.S, District Dimapur, FIR No. DMR (DPR) P.S C/NO.-14/19 u/s 457/380 IPC

Requisition received from DMR (DPR) P.S GDE No.-04/19, Dated 15/02/2019 stating that a written FIR was received from Tekatsuba Jamir on 15/02/2019, that a burglary took place in one house in the premises of Church and Rs. 40,000 to Rs. 50,000/- were stolen. As requisition from the Police Station was received after lapse of 11(eleven) days after filing the FIR, SOC team reported to the P.S on 26/02/2019 at 01:30 pm and to the SOC at 01:45 pm. SOC was disturbed. However, the entry point from outside the room ventilator was open. After climbing the wall ventilator using the staircase, it was inspected and found 1 (One) visible palm print on the wall, It was photographed using a micro lens and scale and the initial of the expert was put. Also photographed 1 (One) partial visible Finger Print from inside the room ventilator and photography in the laboratory. After filling the formalities in the SOC report, the copy was handed over to the I.O.

WEST BENGAL

1. **P.S. DOMJUR, District. Howrah, FIR No. 717/19, Dated 22/12/2019, u/s 302 IPC**

Sunil Bakuli S/o Sukumar Bapuli of Uttar Manashi, PS Udaynarayanpur was murdered by some unknown miscreants at the house of Babli Paswan at Bankra Karatkal dated 21.12.2019. Fingerprint Expert, Sri Prakash Mukherjee examined the PO and developed three partial chance fingerprints with the lightning grey powder developer, on a showcase glass and another one on a red coloured water bottle on 30.12.2019. It was later found to be identical with the specimen left middle & left index fingerprint of Md. Rais, who was arrested in course of the investigation. The case was charge-sheeted and sub-judice now.

Both the prints are having scale of the photographer

2. **P.S. Jamalpur, District. Purba Burdwan, FIR No. 354/19, Dated 27.10.2019, u/s 302 IPC.**

Smt. Rikhi Bhattacharya, Finger Print Expert visited the P.O. on 29/10/19. The P.O. is one storied pukka built house of the deceased Smt. Mitali Ghosh. She examined the P.O. along with all articles. After a prolonged examination, she detected 03 (three) chance prints which were developed, encircled and marked as 'A' (print inside of) on grey coloured almirah kept in the bedroom, 'B' on the wooden window like the door of 'Chor Kuthuri', 'C' outside of the left door of an almirah kept in the bedroom. All the prints were developed in presence of one witness namely Ramprasad Nadu S/o Lt. Kanailal Nadu of Buribagan, Burdwan, Purba Burdwan. Of the prints, chance print marked 'C' was found identical with the specimen left palm print of accused Sujit @ Neul Ghorai marked as 'X' (who was arrested in the course of the investigation). The case was charge-sheeted and sub-judice now.
