NCRB Celebrates International Yoga Day on 21st June, 2021

Constable, NCRB
Shri Kuldeep Singh

Constable, NCRB
Shri Sohan Kumar
I am delighted to bring out the NCRB Newsletter for the Second quarter of the calendar year 2021. I would like to take this opportunity to share some of the major activities which were undertaken in the Bureau during the quarter.

The Bureau celebrated International Yoga Day on 21st June, 2021. The International Day of Yoga 2021 presents an occasion to underline the health benefits of Yoga, and motivate the public to take up the pursuit of Yoga. Theme for the International Yoga Day, 2021 is “Yoga for Wellness”.

A MoU has been signed between NATGRID and NCRB for providing bulk and incremental data of CCTNS from NCRB to NATGRID. Crime Scene Photography & Videography Mobile App was released to 6 States/UTs, to start with, for field level testing and further improvements, if any.

CCTNS team presented a demonstration on CCTNS (CAS) application flow to e-court team on 17th June, 2021 for providing better understanding of CCTNS (CAS) application for developing APIs for integration of CCTNS with e-Court application.

NCRB is in contact with C-DOT for implementing integration of Central Equipment Identity Register (CEIR) with CCTNS to deliberate over development of API for automatic blocking/unblocking of lost mobile phone whenever information regarding loss of mobile phone is entered into CCTNS database.

During the quarter, training was continued to be organized for State police officers on ONLINE mode. Three (3) online courses were conducted which were focused on a variety of subjects, designed to meet day-to-day and emerging needs of law enforcement agencies. One webinar was also conducted for senior police officers on topic “Crime Investigation through Social Media Analysis” which got very good response in terms of participation and feedback.

Implementation of NAFIS project has been going on at a rapid pace. Total 32,88,664 finger print data were migrated in NAFIS Database till June 30, 2021. Total 95 Chance prints lifted from the Scene of Crime (SoC) from States/UTs of India were processed in the NAFIS system in the CFPB.

As always, NCRB has continued to support MHA and other ministries in terms of relevant data. Accordingly the upcoming publications were modified to include Effect of COVID-19 (Infected, recovered and succumbed) on prisoners and prison staff in database of “Prison Statistics India-2020” and Effect of COVID-19 (Infected, recovered and succumbed) on police personnel in database of “Accidental Deaths & Suicides in India-2020”.

NCRB has been taking all the preventive measures and following guidelines with regard to COVID-19. We are committed to provide the best services to police units and citizens across the country.

Jai Hind!

Ram Phal Pawar
Director, NCRB
