Director, NCRB joined by fellow Officials of the Bureau embrace the Spirit of Yoga to mark the occasion of International Yoga Day on 21st June 2023.
It gives me immense pleasure to bring out the NCRB Quarterly Newsletter for the 11th Quarter of the year. I would like to take this opportunity to highlight Bureau's most significant initiatives from the months of April to June 2023.

Joining the National celebration of 9th International Yoga Day on 21st June, 2023, the Officials of the Bureau enthusiastically participated in a Yoga Session conducted under the guidance of a Yoga Expert.

4th edition of CCTNS Hackathon and Cyber Challenge was organized by NCRB in collaboration with the Cyber Peace foundation, on 10-11th June 2023 with an aim to enhance skills and deepen understanding of the CCTNS network amongst the police personnel at field level. It is also an endeavor of NCRB to evolve Innovative ideas and solutions for identifying and addressing day-to-day challenges faced by police. This hackathon was organized in 3 tracks i.e CCTNS Bug Hunting, Innovative Cybercrime Investigative technique and Comparative evaluation of applications available with States/UTs. 9 awards were also given in these 3 tracks (3 in each track).

The Bureau has been engaging with the Domain experts to discuss various operational aspects of ICJS and CrPI Act, as a part of which meetings were conducted with the Nodal Officers of ICJS and Domain Committee Members of ICJS & CrPI Act, 2022 on 31.05.2023 and 07.06.2023 respectively wherein various issues related to implementation of projects were discussed.

Day of International significance such as World Environment Day, World Blood Donor Day were organized by the Bureau with great zeal and enthusiasm on 5th June, 2023 and 14th June, 2023 where the officials of the Bureau planted saplings and a Blood Donation drive organized by the Bureau on World Blood Donation Day.

Capacity building plays a pivotal role in Bureau’s mission to empower police with Information Technology and as a part of the process, the Bureau has conducted training on topics such as ‘CCTNS’, ‘Cyber Crime and Digital Forensics’ and ‘Criminal Procedure (Identification) Act, 2022’. A total of 204 trainees participated in these training programs. NCRB has also organized webinars on emerging topics like “CCTV Forensics”, ”Social Media Analysis” and “Laws of Cyberspace” by expert speakers in their respective fields to modernize and increase the awareness of police personnel. A total of 1,114 participants from all States/UTs had participated and interacted with the expert.

We at the NCRB do our best to impart knowledge about the latest technological interventions to all the Police Units and also to cross learn through organizing various Seminars, Conferences and Webinars to ensure that all the States/UTs are equipped with Information Technology for better Policing.

Jai Hind!

Vivek Gogia
International Yoga Day Celebration

Director alongwith the Officials of the Bureau embrace the Spirit of Yoga on International Yoga Day under the guidance of an Expert from Ministry of Ayush
4th Edition of CCTNS Hackathon and Cyber Challenge was participated by participants with diverse array of expertise, leading to its remarkable success.
Shri Rajeev Jain, Hon’ble Member, National Human Rights Commission visited NCRB on 06.06.2023

Esteemed Guest was briefed about various initiatives of the Bureau which included functioning of the portal to handle complaints related to child sexual abuse material and rape/gang rape complaints.
Engaging with the Experts

Director, NCRB along with Shri Shyamal Misra, Addl. Secretary (WS Division), MHA chaired the meeting with Interoperable Criminal Justice System (ICJS) Nodal officers, held on 31.05.2023.

Joint Director, NCRB engages with the Domain Committee Members of ICJS and Criminal Procedure (Identification) Act, 2022 in a meeting held on 07.06. 2023
NCRB’s pioneering IT applications were demonstrated to the Probationers of Indian Police Service (IPS) at National Police Academy, Hyderabad on 12-13\textsuperscript{th} June 2023.

A session on NCRB’s CyTrain Portal was conducted by Joint Assistant Director (Training) at Telangana State Police Academy, Hyderabad during his visit on 13\textsuperscript{th}-14\textsuperscript{th} June 2023.
On the occasion of World Environment Day, Director and Joint Director, NCRB distributed saplings to the staff of the Bureau.

CCTNS HACKATHON & CYBER CHALLENGE – 2023

Fourth edition of CCTNS Hackathon & Cyber Challenge –2023, inaugurated by Hon’ble Minister of State (Home) Sh. Ajay Mishra, was organized by the Bureau in the month of June, 2023. The event was conducted in collaboration with Cyber Peace Foundation aiming to enhance skills and deepen understanding of the police personnel at field level. It is also an endeavor of NCRB to evolve Innovative ideas and solutions to identify and address day-to-day challenges faced by police.

CCTNS HACKATHON: This challenge was the following three tracks:

Track 1 - CCTNS Bug Hunting

This event was organized on 10th and 11th June, 2023, inviting innovative minds, secured coders across all segments of civilians and police personnel, to find vulnerabilities and logical flaws in the CCTNS application. Participants were evaluated based on their findings, classified as high/medium /low on criticality.

Participants: Police personnel, cyber security enthusiasts/professionals, students from academic institutions, and professionals from tech companies. The participation was on an individual basis.

Track 2 – eRaksha Awards for Innovative cybercrime investigative techniques/methods

This event was organized on June 12th, 2023, to extend invitations to various cutting-edge, technology-based investigative techniques employed by police personnel to enhance their effectiveness in combating cybercrimes. The objective was to gain a deeper understanding of the real-world dynamics of cybercrime in the country and promote research, case studies, and the Standard Operating Procedures (SOPs) implemented by police departments nationwide.

Participants: Police personnel of States/UTs and CAPFs/CPOs.

Track 3 – Comparative evaluation of technical applications available with States/UTs Police.

This event was organized on June 26th, 2023, with the purpose of conducting a comparative evaluation to analyze the efficacy of IT applications developed by different States/Union Territories (UTs). The goal was to identify applications that could be adopted and scaled at the Pan-India level.

Participants: Police personnel of States/UTs and CAPFs/CPOs.

NAFIS Commissioning:

Out of 1,381 workstations to be installed under NAFIS Project, 1,379 workstations have already been commissioned. Additionally, 2,900 SSL VPN IDs have been created and shared with States/UTs including 100 created and shared during this period to authorize secure access to NAFIS Server.

Onboarding Central Law Enforcement Agencies with NAFIS:

As guided by the Hon’ble Union Home Minister to broaden the scope of NAFIS by onboarding Central Law Enforcement agencies (LEAs), various initiatives have been taken in the Bureau to enable them for enrolling and accessing NAFIS Database for investigations.

Resulting in delivery of 16 NAFIS workstations to NCB and the process of delivering 34 and 19 workstations to CBI and NIA respectively is at its advanced stage.

Case No.1

State: Maharashtra

Finger Print Expert: Smt. Sarika. V. Tilekar, Jr. Expert/API (FP)

FIR No.: 937/2021

Section under which the case was registered: U/s 302, 307, 376, 323, 504, 34 IPC with 3(1) (W) 3(2) (V) Scheduled caste and Scheduled Tribe (Prevention of Atrocities) Act-1989 vide section 235(2) of Cr. PC.

Police Station: Sakinaka PS, Mumbai, Maharashtra

Case Description: Murder case

The Victim was brutally raped and assaulted by the accused. The body parts of the victims was gravely injured by the accused. During the treatment at the hospital, the victim succumbed to injuries inflicted upon her by the accused.

Police action and Finger print Development/Comparison

The Finger Print expert visited the scene of crime and developed one chance print on the back side of an iron frame of vehicle. Later, the developed chance print was compared with the finger print slip of arrested persons and it matched with left hand thumb impression of one of the accused persons, resulting in the conviction of the accused under the POCSO Act.
Court Trial and Conviction

The Hon’ble Special Judge under POCSO Act, Sessions Court, Borivali Division, Dindoshi, Goregaon, Mumbai, convicted the said accused person and sentenced capital punishment.

Case No.2

State: Madhya Pradesh

Finger Print Expert: Ms. RituUike, Sub Inspector (FP), Sh. Akhilesh Chauksey, Inspector, Sh. L.K Dubey, Director, FPB

FIR No.: 235/2022

Section under which the case was registered: 302, 201 IPC

Police Station: Kurai, Distt: Seoni, M.P.

Case Description: Murder case

An unidentified body was found in the buffer zone of a reserved Forest near Nagpur, merely 100 meters away from the National Highway at village Raiyya Rao. On further examination by the I/O and Finger Print expert, the crime was registered under FIR 235/22 Section 302, 201 of IPC.

Police action and Finger print Development/Comparison

On examination of the crime scene by the Officials of PS Kurai, district Seoni, the FSL and Fingerprint team of the district was called for immediate inspection of the crime scene. The FSL and Finger Print Team of the district immediately reached the spot and inspected it closely. The Finger Print expert prepared the FP slip of the unknown dead body, which was later submitted for search in NAFIS system and the identity of the deceased person was established as the slip matched with a person arrested earlier.

The news was shared with the relatives of the deceased (residing in Ujjain) and on investigation it was learnt that the deceased was residing in Mansar district Nagpur, Maharashtra since 2018. During the investigation, it was additionally learnt that on the day prior to the discovery of the dead body, the deceased along with other individuals under suspicion committed a theft of electricity power wire worth five lakh rupees and due to some conflict in the distribution of the stolen goods the perpetrators of the theft ended up taking life of the deceased.
Following the commission of the homicide, both suspects bound the deceased's body with a rope and transported it via a vehicle from Nagpur to a secluded forest in Seoni, Madhya Pradesh. The intention behind this act was to prevent the identification of the deceased. Consequently, an interstate crime was successfully resolved through the utilization of fingerprint analysis using the National Automated Fingerprint Identification System (NAFIS).

**Court Trial and Conviction:**

Both the accused are convicted in the case.

---

**Case No.3**

**State:** Kerala

**Finger Print Expert:** Sri Jayan K, Tester Inspector, and Sh. Ajith G., Tester Inspector

**FIR No.:** 1049/2019

**Section under which the case was registered:** 302, 394 IPC
Case Description: Murder case

A brutal double murder case was reported in the PS wherein the culprits entered the house and murdered the owner and his wife by hitting their head by a spade.

Police action and Finger print Development/Comparison

The Fingerprint expert visited the scene of crime and 22 impressions of friction ridges of the foot prints were developed. All the sole prints were compared to the sole prints of the suspected persons. The culprits were identified through matching of foot prints, leading to arrest of two migrant laborers from North Eastern States.

Court Trial and Conviction:

The accused persons were convicted by the Hon’ble Sessions Court, Mavelikkara in this case.
8 courses covering a wide ambit of topics like ‘CCTNS’, ‘Cyber Crime and Digital Forensics’ and ‘Criminal Procedure (Identification) Act, 2022’ were conducted by the Training Branch, in the second quarter of the year which were participated by a total of 204 trainees.

A special 5 days Cyber Crime Course was conducted from 29th May to 2nd June, 2023 for newly recruited Sub-Inspectors of Assam Police.

A series of Webinars on emerging topics such as ”CCTV Forensics”, ”Social Media Analysis” and “Laws of Cyberspace” by expert speakers in their respective fields were conducted during the quarter. A total of 1,114 participants from various States/UTs attended these Webinars.

4 Interns from the National Forensic Sciences University, Gandhinagar, Gujarat completed their internship at NCRB Hqrs.
Director, NCRB presenting Memento to Shri Sushil Kannan, Joint Assistant Director (ICJS) on his Superannuation on 30.06.2023

Joint Director, NCRB presenting Bouquet to Shri Suleman Xalxo, Staff Member of the Bureau on his Superannuation on 31.05.2023
Director, NCRB in his address on World Blood Donation Day on 14.06.2023, emphasized the critical need for blood to save lives and encouraged staff of the Bureau for voluntary blood donation.

Officials of the Bureau participated in a Blood Donation Camp organized by the Bureau on the occasion of World Blood Donation Day.

चित्रकथा

विश्व भर में कला और संस्कृति के क्षेत्र में भारत का एक विशिष्ट स्थान है। देश के अलग-अलग भागों में जहाँ विभिन्न संस्कृतियाँ हैं, वहाँ उनसे जन्मी कलाओं का वैविध्य भी निराला है। इन्हीं कलाओं में से एक है चित्रकला। देश की प्रमुख चित्रकलाओं में जहां मधुबनी कला, पौराणिक कथाओं का वर्णन करती है, दीवारों, पंवर स्थानों की कैनवस पर खेलती हुई कलाकृतियों को अपने साथ लेकर चलती है, वहीं बर्मी कला ढाई हज़ार वर्षों से भी पुरानी होने का दम भरती है। आदिवासियों द्वारा सृजित यह कला भी मानव-जीवन की विभिन्न गतिविधियों को खूबसूरती से दर्शाती है। ओडिशा की पट्टा चित्रकला भी आदिवासी शातावती से आरंभ होती है जिसमें चित्रों को कपड़े के आधार पर विचित्र किया जाता है। यह कला जलाभिषेक और वैज्ञानिक विश्लेषण के साथ उन्हें एक कथा कुद्राल करती है। इसी शृंखला में अंध्र प्रदेश की कलाकृतियों का भी एक रोचक इतिहास है। इसकी शैली अनुभव लोकप्रिय है, जिसमें कहानियाँ को कैनवस पर विचित्र किया जाता है। आदिवासियों के बीच इस रंगों का प्रयोग किया जाता है, जिसके साथ संवादित बालक-बालिकाओं के आलावा बैठक और विवाह समारोहों में भी इस रंग का प्रयोग किया जाता है। इसी शृंखला में एक रंग धरका भी आदिवासी कलाकृতियों का महत्वपूर्ण भाग है। जब भी अंध्र प्रदेश यह रंगस्थली के कारण चित्रकला भी एक विचित्र रंग धरका भी आदिवासी कलाकृतियों का महत्वपूर्ण भाग है। जब भी अंध्र प्रदेश यह रंगस्थली के कारण चित्रकला भी एक विचित्र रंग धरका भी आदिवासी कलाकृतियों का महत्वपूर्ण भाग है।

चित्रकलाओं की उपयुक्त धरोहर को ब्यूटी द्वारा आयोजित चित्रकथा प्रतियोगिता की प्रेरणा के रूप में अपनाया गया। यह प्रतियोगिता नगर राजभाषा कार्यान्वयन समिति के तत्वावधान में आयोजित करवाई गई। 20 जून को आयोजित इस प्रतियोगिता में बूंची और रंगों का प्रयोग करके वित्रकलाओं के विविध धाराओं का समावेश किया गया। इसी क्रम में मध्यप्रदेश गोंड चित्रकला पुष्प और पक्षियों के इर्द-गिर्द चित्रित की गई। गोंड का अर्थ ही है हरा पहाड़। इन चित्रकलाओं में प्रकृति के साथ प्रेम का भाव देखते ही बनता है। जनजातियों की यह कला अंतरराष्ट्रीय स्तर पर भी ख्याति प्राप्त है। इसमें भी पौधों, मिठी और लकड़ी से बनाए गए रंग मूल रूप से प्रयोग में लाए जाते हैं।

चित्रकलाओं की उपयुक्त धरोहर को ब्यूटी द्वारा आयोजित चित्रकथा प्रतियोगिता की प्रेरणा के रूप में अपनाया गया। यह प्रतियोगिता नगर राजभाषा कार्यान्वयन समिति के तत्वावधान में आयोजित करवाई गई। 20 जून को आयोजित इस प्रतियोगिता में बूंची और रंगों का प्रयोग तो नहीं था, लेकिन आदिवासी कलाकृतियों के तमन्ने-चाहने के लिए एक धरका और कलम पर्याप्त साबित हुए। इसी क्रम में मध्यप्रदेश गोंड चित्रकला पुष्प और पक्षियों के इर्द-गिर्द चित्रित की गई। गोंड का अर्थ ही है हरा पहाड़। इन चित्रकलाओं में प्रकृति के साथ प्रेम का भाव देखते ही बनता है। जनजातियों की यह कला अंतरराष्ट्रीय स्तर पर भी ख्याति प्राप्त है। इसमें भी पौधों, मिठी और लकड़ी से बनाए गए रंग मूल रूप से प्रयोग में लाए जाते हैं।

इन सूचनाओं के साथ अंत में कवि भरत व्यास की पंक्तियों उद्धृत करने से बहुत आदर भरदूः-

“हरी-हरी वसुंधरा पे नीला-नीला ये गणन
के जिस पर बादलों की पालकी उड़ा रहा पवन
दिशाएं देखो रंगभरी, चमक रही उमंग भरी
ये किसने फूल-फूल पे किया सिंगार है
ये कौन चित्रकार है, ये कौन चित्रकार...”
