Shri Nityanand Rai, Union Minister of State(Home) along with Shri Ram Phal Pawar, Director, NCRB, Shri Sanjay Mathur, JD(CCTNS) and Shri Vineet Kumar, President, Cyber Peace launching the CCTNS Hackathon and Cyber Challenge compendium.

Union Minister of State for Home Shri Nityanand Rai graced the occasion as the Chief Guest and Shri V.S.K. Kaumudi, DG, BPR&D, as the Guest of Honour on this occasion.
I am happy to bring out the NCRB Newsletter for the first quarter of the year 2020. Following were the major activities that were undertaken during the quarter at the Bureau:

National Crime Records Bureau (NCRB) celebrated its 35th Inception Day, on 12th March, 2020. Union Minister of State for Home Shri Nityanand Rai graced the occasion as the Chief Guest and Shri V.S.K. Kumudhi, DG, BPR&D, was the Guest of Honour on this occasion. DG SSB Sh. Kumar Rajesh Chandra, DG NSG, Sh. AK Singh CEO NATGRID Sh. Ashish Gupta, Director WCCB Smt Tilotama Verma, along with other Senior officials of CAP-Fs/CPOs, various central and state police organizations and Ex-Directors of NCRB also graced the occasion.

Cyber security of CCTNS Platform is very important for the security of data. To make the system more robust, and to popularize it further, NCRB jointly with Cyber Peace Foundation organized a Hackathon named as the “CCTNS Hackathon and Cyber Challenge - 2020”. It offered a unique experience to the participants who got an opportunity to upgrade their skills, knowledge, contribute ideas and to build network for future growth.

NCRB encourages States to include CCTNS requirements in their State Action Plans under MPF scheme and also attends High Powered Committee (HPC) meetings under MHA. Three such meetings were attended by NCRB officers at Chandigarh, Hyderabad and Bhubaneshwar.

NCRB organizes states/UTs Nodal Officers’ (CCTNS) meetings periodically to review the CCTNS Project. Two such meetings were held on 29.01.2020 and 12.03.2020 at NCRB, New Delhi.

On the training front, nine courses were conducted with 210 participants from different States/UTs during the quarter. NCRB team also conducted 18-week proficiency course on Finger Print Science at its CFPB, Kolkata.

NAFIS solution, expected to be a game changer in the use of fingerprint science, is being installed by the solution provider M/s Smart Chip throughout the country. Data Centre and Disaster Recovery Centre have been made ready. Further, 26 states/UTs have confirmed that NAFIS equipment has been delivered in good condition at the respective districts/commissionerates in the country.

As far as publications are concerned, with the release of ‘Crime in India-2018’ on 7th January, NCRB has now become up-to-date in its publications.

Our Statistics Branch also provides inputs for framing replies to Parliament Questions regularly. Data for 237 such questions were provided to the concerned Ministries/Departments during the Budget Sessions of Parliament during the quarter.

While we work for citizens and enable police of different States/UTs in IT, our own staff’s welfare also remains our concern. Towards this, the Bureau organized a picnic/get together at Surajgarh Farms, Gurugram for its staff and their families, where they got an opportunity to stress out and enjoy. Further, as our humble contribution to the Fit India Movement of the country, NCRB has been organising Yoga and Aerobics sessions for the fitness and agility of its staff on alternate days from 5.30 pm onwards.

Ram Phal Pawar
Director, NCRB

Union Minister of State for Home, Shri Nityanand Rai graced the occasion as the Chief Guest and Shri V.S.K. Kaumudi, DG, BPR&D, was the Guest of Honour on this occasion. DGs of SSB and NSG and CEO NATGRID along with other Senior officials of CAPFs/CPOs and Ex-Directors of NCRB also graced the occasion with their presence.

While addressing the gathering, the Chief Guest lauded the role of NCRB and said that the huge database of CCTNS will help investigators in solving crime cases faster. He added that fingerprints were being used in the country from very early times and mentioned that National Fingerprint Identification System (NAFIS) being setup by NCRB will be a game changer for police. He emphasized the importance of capacity building in cyber-crime investigation.

He also gave away medals to the recipients of Police Medal for Meritorious Services - Shri Sudarshan Kumar, Sub Inspector, Shri S.K. Nagrajan, DEO-B and Shri Bishan Singh, Constable and congratulated them on their achievements.

The winners of the CCTNS Hackathon and Cyber Challenge-2020 for the three tracks—CCTNS Bug Hunting, CCTNS Ideathon and e-Raksha Awards, were also rewarded by the Chief Guest.

A cultural program was also organized on the Inception Day, where NCRB staff & their family members participated enthusiastically.
NCRB in collaboration with the Cyber Peace Foundation inaugurated the CCTNS Hackathon & Cyber Challenge on 29th January, 2020 at NCRB. Shri Arvinda Kumar, Director, Intelligence Bureau graced the occasion as the Chief Guest. The aim of the hackathon was to enhance skills and deepen the understanding of the police personnel at ground level and to make smart strategies for addressing evolving cyber threats. This challenge invited participation of CCTNS Nodal Officers from States/UTs, senior officers from MHA, BPR&D, CPOs/CAPFs, students and faculty of academic institutions, law enforcement personnel across all ranks, technical companies and cyber security experts across India. The CCTNS Hackathon & Cyber Challenge was designed on three tracks:

◆ Track-1, CCTNS Bug Hunting—to make the System more robust
◆ Track-2, CCTNS Ideathon—to invite ideas for developing more services around CCTNS
◆ Track-3, eRaksha Awards—to recognize best innovations in the cybercrime investigation

Shri Vineet Kumar, President, Cyber Peace Foundation also addressing the audience at the “Inauguration of CCTNS Hackathon and Cyber Challenge - 2020”
### Status of CCTNS Implementation (as on 31st March, 2020)

1. The following Portals/Services were developed in house by CCTNS and DCT branches. These were inaugurated by Shri Nityanand Rai, Hon’ble MoS (Home) during NCRB’s 35th Inception day.

1) Crime Multi Agency Centre (Cri-MAC): As per the recommendations of DGP/IGP Conference 2018, need was felt to have a Crime Multi Agency Centre (Cri-MAC) to ensure seamless online sharing of information about criminal data among various Law Enforcement Agencies on 24x7 basis and improve the digital communications between them. Accordingly, Cri-MAC has scrolling windows on recently occurred important crimes like, Human Trafficking, Jail Breaks, Jail Releases of notorious criminals, Arrest of interstate criminals, important Seizure and Recoveries, High alerts, Hue & Cry Notices etc. and clicking on such information fetches and displays the FIR from CCTNS database.

2) CyTrain portal (https://cytrain.ncrb.gov.in): This is a Massive Open Online Courses (MOOC) platform to offer professional quality e-learning resources to all LEAs, prosecutors, judges and other stakeholders. The portal is part of the National Cybercrime Training Centre (NCTC) of I4C scheme of MHA, Government of India. Till date, more than 500 police officers across the country have registered with this portal and enrolled in the courses as per their requirements.

3) A new NCRB website, compliant to GIGW (Guidelines on Indian Government websites)

4) The Bureau launched sending daily automatic email alerts to the concerned Police Stations across India in case of matching of Missing Person with Unidentified Found Person (UIFP) and Unidentified Dead Bodies (UIDB); Stolen Vehicles with the Seized/Recovered vehicles in the CCTNS database.

2. NCRB team coordinated and conducted CCTNS Bug Hunting (Track 1) activity of Hackathon event held on 8th and 9th March, 2020 at NCRB. Technical and domain support was provided to the participants during the event. Vulnerabilities reported during the event were shared with the Software Development Agency (SDA), M/s Wipro for development of necessary patches.

3. During the inauguration of “CCTNS Hackathon and Cyber Challenge-2020” two CCTNS Central Citizen Services namely ‘Missing Persons Search’ and ‘Generate Vehicle NOC’ were also launched by the Director, IB. Since its launch on (29th January, 2020), 7953 hits were reported on the Central Citizen Services. 989 Citizens used the ‘Missing Person Search’ and 4549 citizens used the ‘Generate Vehicle NOC’ services. 262 matches were found for ‘Missing Person’ and 330 were found for Vehicles as on 31.03.2020.

4. NCMEC Cyber Tipline Report monitoring facility in NCRB was also inaugurated by Director, IB on this occasion.

5. NCRB officers collated inputs and briefed HS and JS (WS) regarding progress in implementation of CCTNS for the PRAGATI meeting chaired by the Hon’ble Prime Minister on 22nd January, 2020.
4. Meetings with CCTNS Nodal Officers of States/UTs were held on 29th January and 12th March, 2020 at NCRB under the Chairmanship of Director, NCRB to discuss the gaps in implementation of CCTNS Project, review network connectivity through POLNET & Bharat Net and automatic generation of alerts on matching of lost/ stolen vehicles with recovered vehicles or missing persons with unidentified found persons/ unidentified dead bodies and sending the information to concerned SHOs via e-mail and SMS.

5. CCTNS Nodal Officer Meeting of UTs was held on 26th February, 2020 at MHA through Video Conferencing jointly chaired by JS (WS) and Director (NCRB).

6. A proactive monitoring team has been setup for prompt detection, monitoring and mitigation of cyber threats under the Bureau’s Cyber Crisis Management Plan (CCMP).

7. Proposal of development of a Web Portal for Monetization of CCTNS Citizen Services for antecedent verification using CCTNS database by Wipro (SDA) (of approx. Rs.2.49 Crores) sent to MHA for approval.

8. The Bureau issued advertisements on 26th February, 2020 on the two Central Citizen Services ‘Missing Persons Search’ and ‘Generate Vehicle NOC’ launched by NCRB on 29th January, 2020 with the objective to increase awareness among general public, which were published in “Indian Express”, “The Pioneer” (English newspapers) and “The Hindustan” (Hindi newspaper).

9. Mobile App on photography & videography at the scene of crime deployed in NCRB for testing by South District of Delhi Police as per guidelines of Hon’ble Supreme Court of India.

11. First round security audit report of CMAPS application shared with ADRIN, ISRO for development of necessary patches. Necessary coordination for deployment of the CMAPS application and its integration with 112 services in Delhi has also been completed.

12. Under the BharatNet project of USOF (Universal Service Obligation Fund), total 31 Police Stations (State-wise breakup: Chhattisgarh-2, Himachal Pradesh-2, Uttar Pradesh-23, Uttarakhand-4) were made ready for connectivity by laying down last mile fibre up to Police Stations.

13. An MoU between NCRB and NATGRID was signed on 18th March, 2020 for sharing details of accused persons, stolen vehicles along with FIR details from CCTNS.

14. A meeting to discuss the proposals from NCRB on CCTNS Services monetization, AMS support by C-DAC, AFRS and CAS change requests was held on 16th March, 2020 at North Block, MHA under the chairpersonship of JS(WS), MHA.
**Core Application Software (CAS)**
1. NCRB officers held a meeting with Wipro (SDA) on 6th January 2020 to discuss issues related to data replication, security and performance audit of CAS (State) and CAS (Centre) by STQC.
2. Meetings were held on 9th January 2020 with C-DAC to discuss on their proposal of Maintenance and Enhancement of CAS (State) 5.0 and with Wipro (SDA) for their proposal of Monetization of CCTNS Citizen Services.
3. Proposal of C-DAC for Maintenance & Enhancement of CAS (State) v5.0 sent to MHA for approval.
4. STQC submitted report on final round of Performance testing of CAS Center Application on 17th March, 2020 and is being further submitted to MHA.
5. In order to host CAS (Centre) Application at production server and integrate Vahan and Sarathi data of MoRTH, VAPT (Vulnerability Assessment and Performance Testing) Audit was required. Work order in this regard issued to a Cert-IN empanelled vendor.

**Setting up of National Cybercrime Training Centre (NCTC) at NCRB Hq under I4C**
1. NCRB organized meeting with SVPNPA, BPRD, Cyber Peace Foundation, UNICEF, Maharashtra Police on 26th February 2020 and discussed the scope of collaboration for various activities of NCTC.
2. A meeting held on 27th February 2020 under the chairmanship of JS (CIS) at MHA for discussion on status of progress of NCTC attended by DD (C-II) and JSO (NCTC).

**Cyber Crime Prevention against Women & Children (CCPWC)**
Bureau has procured Hardware & Software, for developing robust infrastructure for CCPWC, NCRP, and NCMEC Cyber Tipline Reports, with approx. budget of Rs.1.10 Crore.

**National Cybercrime Reporting Portal (NCRP)**
A total number of 3606 CP/RGR related complaints were registered through National Cybercrime Reporting Portal out of which 2747 were Anonymous complaints. 3 FIRs were registered on these CP/RGR complaints. Similarly, 37817 complaints related to other Cyber Crime were also registered through NCRP till date, and 434 FIRs were registered on these complaints.

Being assigned the task of monitor and implementation of NCRP by MHA, Bureau is resolving and guiding on the issues reported by States/UTs. Bureau is also replying and taking necessary actions to resolve the issues reported by citizens through feedback feature. Separate feedback feature was also made available to the Police where the issues reported have been replied/taken care of. VC meetings were also conducted with states/UTs for guiding them on NCRP and requesting to complete the integration of NCRP-CCTNS.
National Center for Missing & Exploited Children (NCMEC) Cyber Tipline Reports

A tool has been developed to push the NCMEC Cyber Tipline Reports to NCRP. Security audit of the tool has also been completed for implementation.

Bureau shared a total 32,719 NCMEC Cyber Tipline Reports with states/UTs so far, where more than 182 FIRs were registered, and number of arrests were made. Rajasthan Police and Chhattisgarh Police have registered FIRs and arrested persons on the basis of cyber Tipline Reports shared by NCRB, for uploading/possession of material related to child pornography.

Miscellaneous

- Coordinated with UP Police, UP SDC team and DCPW, MHA to conduct PoC for connecting Lakhimpur Kheri PS and SDC Lucknow over POLNET 2.0 network. PoC was conducted successfully.

- NCRB was allotted a separate organisational Unit for eOffice by MHA eOffice Team, eOffice accounts were created for almost all the officials with a grade pay Rs. 2800/- and above. Trainings on eOffice were conducted at NCRB for staff and senior officers including Director NCRB and some officials were also provided training at MHA. User Manual was also shared with them. Assistance was provided to the users in starting their work in eOffice. Presently, Director, and other senior officials are also using eOffice.

- A letter was issued on 16th January 2020 to States on sharing Government domain email IDs and mobile numbers of police stations for incorporation of alerts on Automatic matching of Missing Person with UIDB/UIFP and Stolen Vehicle with seized/recovered vehicles.

- Antecedent verification of 2720 persons (Global Entry Programme applicants) was processed using CAS (Centre) Application.

- For cyber awareness, prompt detection and mitigation of threats, IT security branch drafted and circulated Security Bulletin Volume-4 among ISOs and IRTs. Security Bulleting Volume-5 has also been drafted.

- During the period January – March, 2020, the online Motor Vehicle Coordination System, (VahanSamanvay) received good response from all the users and a total of 25,461 records of motor vehicles were updated online by police, whereas, 36,506 vehicles have been verified online by various RTOs. Besides, 3,49,848 persons verified their vehicles online.

- The online Fake Indian Currency Notes (FICN) received good response from all the users and a total FIR for the period of January to March, 2020 stands at 95, whereas 134 accused are recorded and total values of Jaali Mudra is Rs. 2,09,21,140 as per FICN online software all agencies report for the period.

- Success Stories of NCMEC Cyber Tipline Reports were published in media
Signing of MoU with NATGRID on 18th March 2020 for sharing details of Accused persons, stolen vehicles along with FIR details from CCTNS

STATISTICS

- ‘Crime in India-2018’ was released on 7th January, 2020.
- Two meetings were held under the Chairmanship of Director, NCRB on ‘Rationalization of Crime Head definition in Statistical Publications of NCRB’ on 20th and 30th January, 2020 for seeking suggestions and feedback of the members for preparing a report for submitting to the main committee headed by Special Secretary (IS), MHA.
- Training of Trainers (TOT) on ‘Crime in India-2019’ and ‘Accidental Deaths & Suicides in India - 2019’ were held for officials of states/UTs in two batches, with 33 participants in each one during 27-31 January, 2020 and 03-07 February, 2020 respectively.
- ‘Training of Trainers (TOT) on Prison Statistics India-2019’ was held for officials of prison department of states/UTs in two batches 28 participants participated during 20 -21 January, 2020 and 11 participants participated during 02 -03 March 2020.
- Inputs for framing replies for 237 Parliament Questions during the Budget Sessions of Parliament were provided to the concern Ministries/Departments. During Budget First Session (31 Jan to 11 Feb 2020) inputs to 58 Questions and Second Session (03 - 24 March, 2020) inputs to 179 questions were provided.
- Joint Director(A&T) attended meetings held on 17th and 18th March, 2020 in the Parliament House/Ministry of Home Affairs to brief the Hon’ble Minister on Rajya Sabha Starred Question RS Q No. 265 due on 18.03.2020.
- Replies have been provided for 06 Parliament Assurances to concerned Ministry/Department.
- Replies were given for 212 RTI applications and 09 RTI Appeals during the period.

Movitha M., were nominated to attend the workshop and update themselves with the latest techniques being used by finger print experts around the world along with other major developments in the field of FP Science.

National Automated Fingerprint Identification System (NAFIS)

- M/s Smart Chip installed the customized version of NAFIS solution at NCRB data center incorporating all the required changes suggested by the CFPB team.

- Received confirmation from all State Finger Print Bureaux that NAFIS equipment were received in good condition. Further 26 states/UT’s have confirmed that NAFIS equipment have been delivered in good condition in respective districts /commissionerates.

- Uttar Pradesh confirmed that M/s Smart Chip team has digitized 51,066 FP slips till now. Arrangements have been made to increase the number of staff to increase the rate of digitization. One more team is doing digitization at CFPB, New Delhi and till date 4,700 FP slips of Bihar were digitized.
Till now, 2.2 Lakhs of FP data pertaining to CFPB have been migrated in to NAFIS. Received digitized data of about 5 lakhs from Tamil Nadu and 2.2 Lakhs from Delhi for migration to NAFIS.

Connectivity has been established between Rajasthan Finger Print Bureau and NAFIS data centre.

Payment of Rs.7,40,48,670/- has been made on 09.03.2020. With this, we have closed payment of M2 (Rs.32,18,32,450/- Crores to M/S Smart Chip) and Rs.56,05,000/- to NIC for establishment of DR centre at NDC, Bhubaneshwar. The total payment towards NAFIS project for the current financial year is thus completed.

The plan for UAT is being finalized and M/S Smart Chip confirmed, that they would establish all infrastructure for UAT after lifting of lockdown.

The networking and security relates issues are being sorted out via VCs with M/S Smart chip representatives from France.

M/s Smart Chip has confirmed migration of about 2,15,000 FP data of CFPB. Fingerprint data of Delhi, Tamil Nadu and Haryana is also ready for migration and will commence after finishing that of CFPB.

Training material is under preparation by M/s Smart Chip. They have been directed to prepare a detailed user manual with visual demonstration of complete functionality of NAFIS solution, to be shared with all the trainees.

Digitization of FP slips from Bihar and Sikkim has been completed in CFPB. The digitization activity has been started in Madhya Pradesh (completed 600 slips), both of these processes are currently suspended due to lockdown.

**IT Security Branch**

Cyber awareness and prompt detection and mitigation of threats are main objective of any Cyber Crisis Management Plan (CCMP). The Cyber Crisis Management Plan (CCMP) of National Crime Records Bureau is already in place. In compliance to Bureau’s CCMP Ver-2.0, a proactive monitoring team has been constituted in the IT Security Branch to monitor the cyber threats on Bureau’s IT infrastructure. In this endeavor, a IT Security Bulletin is being prepared and circulated fortnightly by IT Security Branch for the use of senior officers, Information Security Officers (ISOs), and Incident Response Teams (IRTs), enabling them to take appropriate decision while implementing the cyber security measures to protect the Bureau’s ICT infrastructure. The IT Security Bulletin includes threats observed on Bureau’s Local Area Network (LAN) and Wide Area Network (WAN) along with their proposed solution, general cyber awareness tips for day-to-day use and other cyber security related information. In the last quarter, branch has circulated four such bulletins.
Apart from responsibilities of housekeeping of office complex, procurement of consumable & non-consumable items and providing logistics support to the office, the General Branch manages to implement the various campaigns / movements on directions of Ministries. The following are the activities undertaken by the General Branch during the quarter starting from January to March, 2020.

**Observation of Citizens Duties Campaign**: An initiative of Ministry of Justice and MHA’s directions to carryout various activities on the subject, the Branch conducted a “Slogan Writing Competition” on 28th February, 2020.

**FIT INDIA MOVEMENT**: It is a nationwide movement in India to encourage people to remain healthy and fit by including participation in physical activities and sports in their daily life. This movement was launched by the Hon’ble Prime Minister of India, Shri Narendra Modi on 29th August, 2019. The Bureau has joined the movement with zeal and enthusiasm. A lecture by Shri S.S. Chaturvedi, IPS (Inspector General of SSB) on 7.1.2020 was arranged for fitness and well being of staff.

**Covid-19**: The Indian Government has responded to the coronavirus (COVID-19) pandemic and observed various preventive measures to control its spread. As a preventive measure to contain the spread of Covid-19, the Bureau has sanitized the entire building along with hostel rooms and canteen. Hand sanitizers / masks have been provided to each staff member.
"If we wish to maintain democracy not merely in form, but also in fact, what must we do? The first thing in my judgement we must do is to hold fast to constitutional methods of achieving our social and economic objectives."

- Dr. B. R. Ambedkar

71st Republic Day was celebrated at NCRB office premise with the unfurling of the national flag followed by rendition of the national anthem by all the staff and senior officials on 26.01.2020
